## ECCI ESPERANCE EXPRESS COLUMN – 06/02/2017

### **ECCI CUSTOMER SERVICE OF THE MONTH AWARD**

Did you know that the Esperance Chamber of Commerce and Industry (ECCI) coordinate the 'What Did You Think of My Customer Service' business cards program, where the public nominate people who have given them good customer service for the ECCI Customer Service of the Month Award.

This system encourages people to recognise good customer service as and when they receive it.

Anyone can nominate an individual for the Esperance Chamber of Commerce and Industry Customer Service of the Month Award.

Providing great customer service is vital to a thriving business and it is exciting to see excellent customer service skills recognised.

Good customer service adds value to any business and business owners should be proud of the achievements of their staff.

We congratulate those who have been nominated and we encourage all local businesses to continue to provide great customer service, which helps to make the Esperance business community thriving, friendly and vibrant.

If you would like to know more about the Customer Service Award and how to nominate, please contact the ECCI office on 9071 5142 or [admin@esperancecci.com.au](mailto:admin@esperancecci.com.au)

For more information about the ECCI please visit our website at [www.esperancecci.com.au](http://www.esperancecci.com.au)
