

YOU ARE INVITED TO ATTEND THE RESTORE HOPE FOUNDATION BUSINESS AFTER HOURS ON FRIDAY 11 AUGUST 2017

The Restore Hope Foundation began in 2006 driven by Chris Boland who was concerned about the issue of homelessness in Esperance, particularly for those with mental health issues. Within a short time it became obvious that many in the community were struggling and experiencing economic hardship so Restore Hope set up a Soup Kitchen in 2009. In August each year, a group of brave supporters of the Foundation sleep out in the Esperance Soundshell in an effort to experience what it is like to be homeless and to help raise much needed funds to support those who are homeless.

With a generous donation from Magellan Metals, the Foundation was able to have a commercial kitchen built in the form of a caravan which is used to cook meals from donated ingredients which can be handed out to those in need. It is also used as a base at fundraising events for selling food and drinks. Woolworths have also provided the Foundation with funds to purchase a cool-room which has further helped with the preparation and storage of food for the needy. In 2012 Lotterywest provided funds for a new Toyota HiAce Van which included a fridge and freezer compartment to assist in the pick-up and delivery of food and was a vast improvement from their previous small van.

You can help the Restore Hope Foundation by donating:

TIME = cooking, cleaning, pick-ups and deliveries

MONEY = personal donation or helping with fundraising opportunities

HOUSEHOLD GOODS = (in good condition) furniture, sheets, towels, blankets etc

FOOD STUFF = tinned goods (in date), excess garden produce, fresh eggs etc
