

Ricochet Rose - Uptown Clothing @ Downtown Prices

Ricochet Rose came from a suggestion to sell clothing alongside my original line of Georgia Rose Home Décor. The pop-up shop was born and now open at the Esperance Museum Village at Shop 8, Old Sergeants Quarters.

The range of clothing is extensive, new, near new and label. Evening, day, corporate. Active and beach. Shoes, jewelry, scarves, wool overs, jackets and a few collectibles to treasure. I've also included a selection of men and boys wear – wool overs, corporate wear, trousers, jackets and hoodies, and boardie's for the beach. There's also a few items for the young – uns.

Well-known tags without the budget burst and groan include, Ralph Lauren, Ben Sherman, Cue, Surf Brands, and Zara - that's just a few. There are so many items and brands included in the range. *A great range of labels in a one stop pop up shop.*

Georgia Rose - Australian Made Home Décor

Georgia Rose Décor is designed and created by me in Cairns. Sourcing an amazing range of fabric from USA, Canada, UK as well as a great Australian manufactured range I have put together a variety of home décor. These include table and bed runners, cushions, placemats, aprons peg bags, burlap garlands and bunting.

The choice of home décor is very unique, individual and Australian made. A large selection of the placemats and runners are also reversible – creating a contemporary or dramatic effect with the one purchase.

Take a moment to call in to the pop up shop and say hi at

Shop 8, Old Sergeants Quarters, Esperance Museum Village.

Open 7 days from 10.00am.

Anita.
