Esperance Chamber of Commerce and Industry (ECCI) President and owner of SUPA IGA and Pink Lake IGA Ron Chambers announcing Kylie Ryan as the newly appointed Chief Executive Officer of the ECCI.

Esperance Chamber of Commerce and Industry (ECCI) have welcomed their newly appointed chief executive officer Kylie Ryan.

ECCI President Ron Chambers welcomed Kylie Ryan to the position at September's Business After Hours held at the Shire of Esperance chambers.

"I was very pleased to be appointed to the position," Ms Ryan said.

Ms Ryan said she looked forward to meeting with ECCI members and local business owners in the near future.

"My goal is to get out and about with the local business community and meet with as many businesses as possible" Ms Ryan said.

"I want to hear from businesses about how the Chamber can better serve the business community and hopefully create interest and get new businesses on board."

Ms Ryan said transferring from health services to business would be the biggest challenge in the next role.

"I think the biggest shift to get used to is the changes from working in health services to business" Ms Ryan said.
